

# FUN-ART PARTY

## A CREATIVE WAY TO ENTERTAIN CHILDREN

Make your child's party an experience to remember with a **FUN-ART PARTY** from Northbridge School of Visual Arts.

Why let the kids leave with just a candy bag when they can take home their own fantastic work of art.

- Amuse, entertain and inspire
- Experienced art teachers
- All inclusive kits
- Range of activities
- Hassle free entertainment
- Choice of venues

**FUN-ART PARTY** gives kids the opportunity to explore and express their creativity and take home a piece of art that they are proud of.

Choose from a range of activities and themes to suit your child; boys or girls, pre-school or primary school, there is something fun for everyone. Let your child choose from a t-shirt, canvas bag, cap, artist's canvas, jewelry making, or pottery.

It's easy too! All materials are provided in a simple to follow kit with the option of including an experienced art teacher to run the activities for you.

Hold your party at home or at one of Northbridge Art School's venues for a fuss free alternative. Our creative staff can help you decide on a theme, plan the activities, even suggest decorations to match your theme.

Whatever you choose, a **FUN-ART PARTY** will amuse, entertain, and inspire.

**FUN-ART PARTY** is a truly fun and memorable event for children and adults.

"A highly successful girls and boys 7 year old birthday party. They were entertained the whole time, no need for any extra activities and children were able to take home a piece of their own artwork. It worked brilliantly! Good value. It far exceeded my expectations"

Amanda Keel, mother.
